Subject - Housing facilities to the Sweepers and Scavengers of the Shimoga Town Municipality
*****

With reference to your letter No L 1222/ML 102-42-13 dated 29th July 1942 in the matter of forwarding an estimate in connection with the Scheme for providing housing facilities to the Sweepers and Scavengers of the Shimoga Town Municipality, I have the honour to forward herewith a detailed scheme (with estimate and plans) received from the President of the Shimoga Town Municipality (Vide his letter No C 1 87/41-42 dated 22nd March 1943) and to state as follows -

2 From the records it is seen that the Scheme now prepared for the above purpose provides eight dwelling houses with double unit latrines and a public fountain in the Colony The scheme is estimated to cost Rs 4804/- or Rs 5000/- in round figures

3 The Sanitary Engineer, Bureau of Sanitary Engineering Bangalore who was consulted in the matter (by the President of the Municipality) states in his letter No 1439 dated 13/15th March 1943 that the type design of the houses and latrines prepared by the Municipality might be adopted The estimate in questic has been scrutinised by the Sanitary Engineer, Bangalore

4 As to the question of financing the scheme I write to state that Government have in their Order No L 7630-43/ML 102-42-76 dated 4th February 1943 sanctioned a grant of Rs 5000/- from out of the current year's Town Improvement Grant for to the Shimoga Town Municipality

Municipality The Town Improvement Grant now sanctioned for the above said purpose will have to be drawn only after the estimate is sanctioned by Government The grant amount will lapse if it is not drawn before the end of 30th June 1943

5 According to Government Order No L 1140-51/ML 86-35-145, dated 31st July 1940 and the Comptroller's circular No 424 dated 4th February 1941 the grants of the above kind will have to be drawn only after the estimates are sanctioned by the competent authority

6 The estimated cost of the present scheme in question works up to Rs 5000/- approximately and it requires the administrative sanction of Government

7 In these circumstances I request that administrative sanction of Government may kindly be accorded to the estimate and plan in question so that the Shimoga Town Municipal Council may draw the Government Grant of Rs 5000/- (sanctioned for the purpose) before the end of 30th June 1943

8 I request the favour of very early orders of Government in the matter
